SKILLS

Programming Languages: C++, C, HTML ,CSS ,Bootstrap ,JavaScript, PHP, MySQL

Version control: Git, GitHub.

Other: Data Structure, Object-Oriented Programming, Algorithms.

Soft Skills: Communication, Problem-Solving , Time Management.

CERTIFICATES

- HTML by Spoken Tutorial Project at IIT Bombay.
- Full Stack Development by SEEDIT.
- C++ by SEEDIT.
- Career Essentials in Generative AI by Microsoft and LinkedIn.

EXPERIENCE

Casio India Co.Pvt LTD

Dec 2020 – Jan 2021

Marketing Intern

- As a Marketing Intern at Casio India Co Pvt Ltd, I supported various marketing initiatives aimed at enhancing brand visibility and driving customer engagement.
- My responsibilities included conducting market research, analyzing competitive landscapes, and assisting in the creation of marketing content and campaigns.

EDUCATION

Bachelor of Technology(IT)

2020 - 2024

Shri Shankaracharya Technical Campus

77.03%

PROJECTS

My Portfolio

- Designed and developed a full-stack web application with a PHP backend, dynamic JavaScript functionality, and a responsive front-end created using HTML, CSS, and Bootstrap. The application also utilized a MySQL database for data storage and management.
- It serves as a comprehensive showcase of my skills, experience, and capabilities in full-stack development, web application development, database integration, and UI/UX design.

Placement Management System

- I crafted a dynamic web application, leveraging HTML, CSS, and Bootstrap for an engaging and responsive front-end experience. Powering its functionality, I utilized PHP and JavaScript on the back-end, seamlessly integrated with a MySQL database for data management and storage.
- This project facilitates seamless coordination and real-time communication between students, employers, and the placement office, showcasing my expertise in full-stack development, database integration, and web application development.
